Complete Interior

PART #:

44
44-5

PACKAGE:

Gallon
5 Gallon

PRODUCT CATEGORY:

Cleaner & Protectants

COLOR:

Turquoise

SCENT:

Clean Linen

PRODUCT DESCRIPTION:

Complete Interior is a superior all-purpose, **water-based** silicone cleaner dressing for interiors, plastic, vinyl, leather, compartments. Restores original beauty to vinyl, leather, plastics, and trim, dashboards, air vents, for interiors. Leaves a non-greasy, semi-glossy to matte finish. **VOC compliant**. This product provides UV protectant and an anti-static property to the interior of vehicle.

DILUTION RATIO:

RTU-Ready to Use

DIRECTIONS:

Shake well. For a clean protected finish, spray directly onto the surface, or on to an applicator pad and wipe clean. DO NOT apply to brake/accelerator pedals.

SURFACE APPLICATIONS:

Great for **Interior** use. Will not harm plastic, vinyl, rubber, leather, or dashes.

HELPFUL TIPS:

Be sure your applicator pads and towels are clean before application of Complete Interior. Be sure to wipe dry. This will help to avoid product "running" on interior body panels and surfaces. Product best used on cool surfaces. Using an air nozzle will help in moving product on door panels and tight areas.

SAFETY & HANDLING:

Safety Data Sheets are online at automagic.com
Use proper safety PPE when using any chemicals.
