

MALCO[®] OXY[™] CARPET & UPHOLSTERY CLEANER (1278)

DESCRIPTION

Oxy[™] Carpet & Upholstery Cleaner is a peroxide-based fabric cleaner. This powerful, ready-to-use formula quickly cuts through dye and tannin related soils such as those from coffee, juice or some foods. It dries quickly, leaves no residue and does not leave water marks on sport fabric seats.

DIRECTIONS

Test for color fastness on an inconspicuous area prior to use. Malco will not accept responsibility for damage resulting from either intentional or accidental misuse of this product. Use of gloves is recommended to avoid temporary dehydration and whitening of skin. Fill a trigger sprayer bottle with solution and spray the product directly onto the stain to be treated. Let solution work for 2-3 minutes, then wipe away stain with a clean shop towel. Light agitation with a carpet & upholstery brush may be required for stubborn stains. When not in use, keep bottle sealed and store in a cool place to maintain product strength and effectiveness. NOT FOR USE ON LEATHER.

FEATURES AND BENEFITS

Peroxide-based cleaner	Removes dye and tannin stains such as coffee and juice
Dries quickly	Leaves no residue or water marks on fabric
Convenient, ready-to-use formula	Just let it dwell 2-3 minutes
