

MALCO[®] EPIC[®] HYDROSHEET[™] + SIO₂ WASH & WAX WITH GRAPHENE (2609)

DESCRIPTION

MALCO[®] EPIC[®] HYDROSHEET[™] + SIO₂ WASH & WAX WITH GRAPHENE is a low-foaming, VOC compliant, and phosphate-free formula that utilizes advanced technology to clean, shine and protect your vehicle in just one easy step. Detergents work to remove soils and a special drying agent helps water to sheet off the vehicle during the rinsing process, leaving less water on the surface to dry and help provide a spot-free finish. SiO₂ sealant and silicone wax enhanced by the graphene, create a hydrophobic barrier for increased surface protection while leaving a rich, long-lasting, lustrous shine.

DIRECTIONS

Rinse off entire vehicle to remove large debris. Mix 1 oz. of Wash & Wax per gallon of water (1:128). Shampoo vehicle using a wash mitt or sponge. Rinse thoroughly and then dry with a clean, soft towel or chamois. For maximum sheeting, flood the vehicle surface when rinsing.

FEATURES AND BENEFITS

Revitalizes ceramic and graphene coated surfaces	Provides additional protection for up to 60 days
High Sheeting/Quick Dry Formula	For faster drying time
Enhanced shine and depth of gloss	Leaves a slick gloss finish

PACKAGE SIZES

- 8 oz. – Part Number 260908
- 32 fl. oz. - Part Number: 260932
- 1-gallon - Part Number: 260901
