SECONDARY LABEL • NOT FOR RESALE

Malco Products / Barberton, OH 44203 © 2010 / Label#821151

Annihilator will quickly and easily remove petroleum-based transit coatings and cosmoline from vehicle surfaces. Annihilator is safe to use on any painted surface.

DIRECTIONS: Test surface before using. Apply in an inconspicuous area and wipe with clean cloth. If appearance of treated area changes, discontinue use immediately.

To remove coatings: Apply Annihilator to a clean cloth and gently rub area to maximize contact between cleaner and surface. For best results, turn cloth frequently while cleaning. Repeat if necessary.

ANNIHILATOR™ TRANSIT COATING REMOVER

WARNING: Flammable. Harmful if swallowed. May cause eye, skin or respiratory irritation.

PRECAUTIONS: Keep out of the reach of children. Use in well ventilated area. Keep away from heat and flame. Keep container tightly closed. Avoid contact with eyes and skin and respiratory system. Wear safety glasses, gloves and vapor respirator.

FIRST AID: If swallowed, do not induce vomiting. Drink 2 glasses of water. Seek medical attention immediately. If inhaled, move to fresh air. If breathing remains difficult, seek medical attention. If on skin, wash with soap and water. If irritation persists, seek medical attention. If in the eyes, flush eyes with large amounts of water for 15 minutes. If irritation persists, seek medical attention. SEE MATERIAL SAFETY DATA SHEET.

AVERTISSEMENT: Inflammable. Nocif si avalé. Peut causer l'irritation aux yeux, à la peau ou au système respiratoire.

PRÉCAUTIONS: Garde hors de la portée des enfants. Utiliser dans des zones bien ventilées. Conservez loin des flammes et de la chaleur. Conserver le récipient bien fermé. Évitez le contact avec les yeux, la peau et le système respiratoire. Portez des lunettes de protection, des gants et le respirateur de vapeur.

PREMIERS SOINS: Si avalé, n'induisez pas le vomissement. Faire boire 2 verres d'eau. Obtenez attention médicale immédiatement. Si inhalé, déplacez à l'air frais. Si la respiration est difficile, obtenez attention médicale. Si sur la peau, lavez avec du savon et l'eau. Si l'irritation persiste, obtenez attention médicale. Si dans les yeux, rincez avec de grandes quantités d'eau pour 15 minutes. Si l'irritation persiste, obtenez attention médicale. CONSULTEZ LA FICHE SIGNALTIQUE.

ADVERTENCIA: Inflamable. Dañoso si está tragado. Puede causar la irritación a los ojos, a la piel o al sistema respiratorio.

MEDIDA DE SEGURIDAD: Manténgalo fuera del alcance de los niños. Úselo en lugares bien ventilados. Guarde lejos de las llamas y del calor. Consérvese el recipiente bien cerrado. Evite el contacto con los ojos, la piel y el sistema respiratorio. Use lentes de seguridad, guantes y el respirador de vapor.

PRIMEROS AUXILIOS: Si está tragado, no induzca vomitar. Beba 2 vasos de agua. Consigue la atención médica inmediatamente. Si está inhalado, muévase al aire fresco. Si la respiración es difícil, consigue la atención médica. Si esta en la piel, lávese con el jabón y agua. Si la irritación persiste, consigue la atención médica. Si esta en ojos, lávese con cantidades grandes de agua por 15 minutos. Si la irritación persiste, consigue la atención médica. CONSULE LA HOJA DE DATOS MATERIAL DE SEGURIDAD.
