WHITEOUT™ FOAM CANNON SOAP

Product Description:

Whiteout™ is a concentrated, pH balanced soap designed specifically for making exceptional levels of foam through a foam cannon for the ultimate touchless wash. The thick, rich lather allows the foam to cling to the vehicle in order to quickly and gently wash away dirt, grime and road film. Built-in water softening and sheeting agents help eliminate water spots and hard water deposits. Its pH balanced formula will not remove previously applied wax, sealant or degrade a ceramic coating. Use on autos, boats, trucks, RV's, buses and more. Fruit fragrance. PHOSPHATE-FREE. NPE-FREE. VOC COMPLIANT.

Product Details:

Concentrated
Biodegradable
VOC Compliant
Water Base
Body Shop Safe
NPE Free
Phosphate Free
pH: 8.6
Color: Pink
Fragrance: Fruit

Packaging:

Pint: C-15-P
Gallon: C-15

Features & Benefits:

Designed for Use with Foam Cannon
Thick, Rich Lather Allows Foam to Cling to Surface
Gently Washes Away Dirt & Road Grime
Built-In Water Softening & Sheeting Agents
VOC Compliant, NPE-Free & Phosphate Free

Application: *Shake well before using. Read label before use. See SDS for more information.*

Foam Cannon Washing: Pre-rinse vehicle with water to remove loose debris and grime. Add 2-3 ounces of Whiteout™ to the reservoir and fill with water. Attach reservoir to foam cannon unit. Set the multi-ratio stem to the maximum foam output. Foam the vehicle from top to bottom and around the vehicle overlapping to ensure complete coverage. Rinse vehicle thoroughly using the pressure washer.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply to a hot surface or let dry on surface. Recommended for foam cannon operations.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
